Westchester County Fair and Affordable Housing Development Process

NOTE: Please note the time frame for the SEQRA process is contingent on a range of variables including but not limited to the size of the project, the amount of public input, the extent of the review that will be required and the agencies that are involved in the process. SEQRA regulations are located at 6NYCRR Part 617 and can be viewed on the NYS Department of Environmental Conservation website at <http://www.dec.ny.gov/permits/357.html>. The process is also contingent on obtaining all necessary federal, state and local approvals and permits.
