Dear Ms. Arnold:

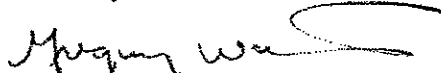

SHARS ID #: 20090074
Project Name: 37 Wildwood Road

The Housing Trust Fund Corporation (HTFC) has reviewed your application under the Small Projects Program (SPP). We regret to inform you that your application for assistance under the SPP was not selected for funding. As a result of this determination, we are unable to take further action on your application at this time.

We encourage you to schedule a technical assistance meeting with your regional representatives if you plan to resubmit this or another application once the SPP is again accepting applications.

During 2008 and 2009 we received a significant number of applications for funding that greatly exceeded the resources available for SPP awards. We commend you and your organization for having participated in this program and appreciate your commitment to affordable housing and the improvement of your community.

Sincerely,

Gregory Watson
Assistant Commissioner
